COUNTERTOP LAYOUT FORM

Name: _____

Property Address: _____

If you would like a head start on planning your project, use this form to sketch your countertop layout. Including all the information listed in the "Drawing Guidelines" will be important in determining a cost estimate. The professionals at CSC look forward to helping you make your project a masterpiece.

Drawing Guidelines

- Use the symbol "X" to indicate a Finished Edge
- Use a "=====" (double line) to indicate a Back/Side splash
- Provide all backwall dimensions
- Indicate location of all appliances
- Specify any window extensions or sills, include depth and length
- Specify any special details for the project

Example Sketch
